DIRECTORS' CORNER

I hope all our GWRRA families and friends are safe, in good health, and staying at home. What a month April was, with COVID-19 and several businesses not qualifying as essential services, closing, then after a few weeks having to permanently close as money didn't come to aid or support them and they couldn't afford to continue. Then we have the frontline workers who are approaching the elements daily with caution, hoping not to become contagious or ill and bring an epidemic home to the rest of our families. Thoughts and prayers are going out to all.

Americade has been postponed to July 21st – 25th. If you would like to read about the update visit

Wing Ding 42 has not been cancel

CANCELLED!!

d for June 30th – July 4th. Updates can be seen at

w.wing-ding.org

I am speculating that all will go well, however it's quite ironic how the mass of people who have been home and not working all this time could go to an event. Also, with this epidemic being so devastating and still with us, it will take time before everyone resumes socializing the way we did prior to COVID-19. I'm sure there will be several people very cautious of associating with anyone until there is a cure for COVID-19 or the global infected number is "0".

Anyhow, if anyone else is like me...I can't wait for the weather to warm up (as it snowed today in Toronto), and I can get my bike out. It's all cleaned and polished, waiting to hit the streets.

I hope all the Central Canada District Chapter Directors have been communicating with their members, keeping them up-to-date, and just being in contact with them during this time, as there are no social events or Chapter breakfasts.

Chapter ON-G...you guys ROCK! I think your breakfast pictures are awesome. Way to show the other Chapters how to communicate and have fun.

Wishing you all good health during this time. BE SAFE!!!

Remember: we only REGRET the rides we didn't take!

RIDER EDUCATION

Hello all members,

I realized this is not an easy time for any of us, but we are trying to accommodate all members the best we can until we can resume our regular activities. Of course, we don't know when it will happen, but it will surely be done gradually under the health professional and government recommendations.

Meanwhile,

GWRRA RIDER EDUCATION PROGRAM EXTENDS THE LEVELS PROGRAM GRACE PERIOD

Members participating in the Rider Education Levels Program whose certification has expired or will expire on or after January 1st, 2020, are granted a grace period that has been extended until **December 31st, 2020**, allowing time for the Member to take part in one or more of the following courses or classes to bring their level up-to-date:

✚ GWRRA (or RE Program approved alternative) on-bike course (only when isolation is lifted in Ontario and Québec)

✚ The University's Co-Rider seminar:

So to maintain your level status, I invite all co-riders to participate in an online **University Co-Rider seminar/module**. It is available in April and May, but register quickly at GWRRADOT.com and click on the **green moving banner**.

I also invite all members to take this confinement time as an opportunity to register for the online **University module presentation**. You can find all proposed module presentations and registration by simply going to GWRRADOT.com and click on the **green moving banner** as well.

As usual, if you have any questions, contact me by e-mail or by phone.
Stay safe!

RUNNING DOWN THE HIGHWAY

Hi to all the Chapter Ride Coordinators. I hope you and your family are well in this time of the COVID-19 virus. I know everybody is anxious to get out and ride. Maybe at this (forced) time at home we can dust off some previous rides and map out some new ones, ready for the day we can once again join in the Chapter rides. Whenever that occurs, we are all going to be a little rusty at riding, so take it easy for the first rides of the year.

All the best to you and yours.

Remember: ***ATGATT!***
