Chapter Baskets Draws!

Each Chapter is asked to bring a gift basket to be raffled off to guests.

For every raffle ticket purchased at the event, the Chapter will receive \$1.00.

Be creative! No alcohol and please consider that winners are potentially travelling home with all the contents and container. A list of items in the basket may also be helpful.

Chapter Baskets are included in the event's Chapter Participation Challenge!

Points are awarded:

- to each Chapter submitting a basket for a draw
- if the basket is clearly identifiable as from a particular Chapter
- based upon the number of draw tickets in the Chapter basket's ticket container
