Rendezvous July 2022

Greetings,

From **July 14 – July 16 2022**, Members of the Gold Wing Road Riders Association (GWRRA), Central Canada District (Ontario & Quebec) will be visiting North Bay, Ontario for our annual District rally, “**Rendezvous 2022**”. It will be held at the Best Western North Bay Hotel & Conference Centre and the theme for this year’s event is “Welcome Back!”.

We are a nonprofit, motorcycle touring organization. Our Members gather at Rendezvous for rider education, safety and skills seminars and to socialize and renew friendships. Members participate in a variety of activities and programs related to motorcycling including guided and self-guided tours of neighboring communities, attractions, landmarks, and businesses. The GWRRA motto is “Friends for Fun, Safety, and Knowledge” and we encourage safe motorcycle riding and respect on the road for all vehicles.

Registrations from all over Canada are steadily coming in. We would like to know if you can support our event in any of the following ways, of course with our promise to advertise your involvement:

- **Provide a door prize(s)** - funds generated through the draw are used to offset the cost of programs offered to our Members, such as Leadership Training, Rider Education seminars, etc.
- **Supply discount coupons** - for our Members to shop in your store
- **Sponsor an activity:** - such as our Thursday night BBQ, Friday night Welcome Night, or Saturday afternoon on-bike games, etc.

Contact information is below, feel free to connect with us for any questions.

On behalf of the Members of GWRRA Central Canada District and the Rendezvous 2022 organizing committee, we thank you for considering our request.

Best regards,
Darlene Drouin & Bob Cochrane
